

Everyone is Invited to the Treasure Coast Builders Association's Spring Fling for Membership.

Monday, April 18th through Friday, May 27th, 2011.

It's easy to participate, encourage your friends and business associates to join. Invite them to the next chapter meeting, Fun After 5 or special event so they can see first hand the numerous benefits of membership in the TCBA; we've even attached a member application on the back.

The top Builder recruiter will win a banner ad for 3 months on the TCBA website and the top Associate recruiter will receive a complimentary chapter sponsorship and all the benefits for the meeting of their choice.

In addition, the ten top recruiters will win a steak dinner served by the Board of Director members at the June Fun After 5 at the TCBA office.

Spring is a great time to help our membership grow!
